President's Note **September 20, 2013**

With the Regional Meet over we can look back at the many memories made in the Bend area and the trip going & returning. The High Desert A's did a great job of keeping us busy and entertained with a large list of activities including the raffle room, car games, fashion judging, seminars, tailgate swap meet, Redmond Swap Meet, Sisters shopping trip, Grand Tour and Awards Banquet.

The President's Tour is coming up soon on Friday, September 27th; we will meet at 4th & Aspen in La Center at 8:45 and leave at 9:00. We will travel Old Pacific Hwy to Woodland and then I-5 to Longview the Hwy 4 to Skamokawa for lunch at the Duck Inn and meeting Don & Ruby Knudson there. We will then tour to Cedars Ocean View Inn at West Long Beach. Friday night we will have a bonfire on the beach while enjoying a potluck dinner. Saturday we will be touring Long Beach murals and Saturday Market in Ilwaco. We will have lunch in Ilwaco and if time allows we may tour to Astoria and visit the Maritime Museum. Saturday night we will have dinner at the Lost Roo recommended by friends, Sunday after breakfast we will tour historic Oysterville and then return home.

Jerry

Lava Ladies

We're looking forward to our Babies in Need event on Saturday, October 26th at 11:30 AM at Rocky's Pizza in Battle Ground. Bring your newborn baby items to donate to Babies in Need.

All of the Lava Ladies that attended the Regional Meet in Bend enjoyed checking out the Old Mill District shops, the Fashion Tea, the fashion boutique and the bus trip to Sisters in addition to the beautiful scenery we encountered on our tour. It's always fun to spend time together!

Volcano A's General Membership Meeting Minutes

September 9, 2013

CALL TO ORDER: Jerry opened the meeting with the Flag Salute and then noted that there were no new members or guests in attendance

TREASURER: Bill Peden gave us a detailed account of our finances.

TOUR: September tour will be the President's Tour to Long Beach September 27-29.

EDITOR/WEBMASTER: Gone on a cruise!

SEMINAR: Don La Barre discussed overdrives.

PUBLIC RELATIONS: Next Restorer article is coming up and Dian stated she would use information on our latest events and would also welcome any suggestions.

SUNSHINE: Nothing to report.

REFRESHMENTS: Some of the left over Danish pastries from our Pit Stop coffee booth were brought tonight for refreshments, please use them up. There is a sign-up sheet for the President's Tour Friday night potluck on the beach.

NW REGIONAL GROUP: Jack Dusenberry reported that the Bend Regional Meet had 288 registrations and 554 people attended with 490 people participating in the Grand Tour. There's an early bird newsletter for the Puyallup National Meet and you must be registered for the meet before you can reserve hotel rooms. 2015 meet will be in Walla Walla. Jack also informed us that each club member must sign a Hold Harmless Waiver for MAFCA and John Carlile gave us the background on the insurance problems/concerns with MAFCA.

LAVA LADIES: Dian reported that 9 cookbooks were sold at the Bend Meet with the help of Lynn Elvestrom. And the La Center Pit Stop coffee booth brought in \$156, everyone seemed to enjoy the booth so we will plan on doing it again next year. Our Babies in Need event will be lunch at Rocky's Pizza in Battle Ground on Saturday, October 26th at 11:30.

NEW BUSINESS: Linda Willey told us the series of events that won them the Hard Luck trophy at the Bend Regional. Jerry gave a brief rundown of our activities in Bend. The raffle baskets we donated were much appreciated and looked very nice - thanks Linda for putting them together so beautifully.

Bob Huset mentioned there are 3 gas stations on Hwy 4 selling non-ethanol gas which started a discussion on the pros & cons of using that type of gas.

RAFFLES: The 50/50 drawing was won by John Carlile who took home \$43. Jim Kelly won the door prize and took home a bird feeder and a bag of sunflower seeds.

REFRESHMENTS: Provided by MJ Peden and Linda Willey were tasty.

Respectively Submitted,
Dian Lane

MAFCA Information

Your Board of Directors met on August 24 and I am pleased to report things are going well. The Board meets 4 or 5 times a year and conducts business via email and telephone the rest of the time. The two new Board members for 2014 - **Happy Begg** and **Jim Cannon** were ratified. They will be great additions and bring fresh perspective to MAFCA.

We finished the year with 13,643 family memberships. This is down about 133 from 2012, but up from 2008. Interestingly we have 48 new members since August 1 and all of them from the internet. MAFCA now has a [Facebook page](#) and we are attracting a lot of interest. It is a place to share pictures, tell Model A stories, and connect with others in the hobby.

As you know, we had exactly the same number of candidates for the Board as openings so there was no election this year. Being on the MAFCA Board is a challenging a fun opportunity and if you have any interest in running for the Board next year would be a good time. There is some [basic information on our website](#). While being on the Board is fun as you get to meet hundreds of people interested in the Model A Ford from all over the country and around the world, it is also work. Each Director spends about 20 hours a week in support of MAFCA. Communicating with almost 14,000 members, 300 chapters, and a large number of vendors, printers, and employees takes time. We are always seeking good people who love the Model A Ford and who have some business background to help manage MAFCA. I would not trade my time on the Board for any other volunteer opportunity.

Hershey is coming up soon. If you go, please stop by the MAFCA tent and say hello. This year, our Technical Director **Chuck Christensen** will be presenting a seminar on the Model A Water Pump. On Friday there will be a special seminar by **Helen Christensen** on the Model A Pattern Project. We have shade, chairs to rest in, and the opportunity to learn a little more about the hobby - what more could you want? MAFCA will be in Spaces RCH 10-11-12

The MAFCA headquarters in La Habra has several beautiful displays of Model A items such as door handles, ignition cables, and era fashions. There are now some empty display cabinets since much material went to the Model A Museum in Hickory Corners. If you have something suitable for display and of interest to the hobby, MAFCA would appreciate your donations. We are looking for smaller items such as accessories or unique era items. Contact the office if you would like to share an item.

In my column in the September / October edition of The Restorer, I indicated the new Waiver Form would be mandatory for chapters in 2014. The Board discussed this at length and decided we "strongly recommend" chapters adopt the form. MAFCA supports chapters and we do not want to be in the business of micro-managing their activities. So we recommend they adopt it, but it is their decision. The form will be mandatory for all MAFCA sponsored events.

Don't forget to register for the 2013 National Banquet in San Antonio, Texas, December 4 thru 8. Registration is also out for the National Tour in the Hill Country of Texas next spring. Both events promise to be non-stop fun. Check the [CALENDAR](#) page of the website for details.

Technical Notes

Technical Tip Anti-seize Lubricant

By Lynn Sondenaa

Anti-seize is a special type of lubricant, and should not be used as a sealer or threadlock. It will withstand high pressure and high heat. The main purpose is to prevent metal parts from becoming "cold welded" together. This is also known as galling, carbon fusion, seizure, and corrosion. Continuous high heat or similar metals can cause cold welded. Examples on a Model A are the head bolt studs, exhaust manifold studs, and water pump studs that are attached to the block. Also, all of the fasteners used on the exhaust system. If a person uses stainless steel nuts and bolts these have a tendency to cold weld themselves together making removal almost impossible without breakage. Steel on steel with the presents of rust over the years can seize parts together.

If anti-seize lubricant is placed on the threads during assembly, this will prevent, "cold welding" and make disassembly easier.

NEW FORD DE LUXE SEDAN

The Beauty of Fine Upholstery

THE BEAUTY of fine upholstery gives charm and distinction to the interior of the new Ford De Luxe Sedan.

In this car, as in the Town Sedan and the De Luxe Coupe, you may choose tan Bedford cord, or brown mohair. The Bedford cord has an all-wool face and heavy woolen yarns under each cord. The soft, luxurious mohair will not crush easily and is longwearing because it is faced

with genuine Angora mohair and fine wool worsted. In both types of upholstery, beauty and utility have been combined in unusual degree.

Great care is taken to maintain the quality of the fabrics used for the Ford cars. Laboratory tests for weight, the character of the cloth and

the grade of the yarns are constantly being made. There are also daily tests of the dyes, the count in the warp and woof, the percentage of wool, the thickness of the mohair pile, and rubbing tests equivalent to years of actual wear.

In every detail of trim and finish, as in mechanical performance, you will note the substantial worth that has been built into the Ford car. It has been made to endure.

Hard Luck Road Trip

The Willey's started out with good intentions of making it to Bend, Oregon without any problems in the 1930 Deluxe Coupe, but ran out of luck with a broken rear axle. They finally had it towed to Linda's mother's place and continued on to Bend with the LaBarre's.

Community Service

Thanks to Willey's for collecting all the food at the Sept. meeting!! You made them work really hard!! The total for the month was 355 pounds!!! A special thanks to Tom Pagel who supplied 181.6 pounds of that total by bringing produce from his garden!!!! The total for the year is 1534 pounds. So the challenge is on...we have 3 months to bring in 500 more pounds and we will have over 2000 pounds again!!!! Go shopping...clean out your cupboards...the challenge is on!!!!

Thank you all.

Sherry

Congratulations - Membership for 50 years
